Walpole High School
275 Common St.
Walpole, MA 02081

Walpole High School's mission is to foster learning through a collaborative process that engages students, educators, and the community. This endeavor provides opportunities for students to acquire knowledge and to develop skills in order to achieve academic and personal goals. We will make every effort to graduate all students as successful and literate members of society - and be able to succeed in the increasingly complex world in which they will live and work.

The Girls Hockey Team, led by senior captains K Colleran, Ava England, Elena Govoni and Ain Roof, as well as head coaches Bob England and M Roof, have seen more success this year than prev years. After being ranked in 20th place in Divisi for the first few weeks of the winter season, the t worked hard to improve their play and jumpe number 15th in the rankings. Captain England expl that the "good chemistry that takes place on and off ice is a contributor to the team's success". With a reg season record of 9-8-2, the Timberwolves have b tested with challenging opponents but have wor together to maintain a solid outcome. A key mom was the team's overtime win against Braintree, wh the game was extremely competitive and sophom Nadia Michienzi stepped up in net with her first career shutout. The team lost in the first round of playoffs in a hard fought game against Gloucester

The Walpole Hockey Team led by Coach Dowd a senior captains Ryan Walsh, Michael Bisceglia, and Na DiMartinis finished with a record of 8-11-1. The loss seniors from last year left the current Walpole senio with no option than to step up, and that's exactly wh they did in the game against a strong Braintree tea DiMartinis,Walsh, and Owen McKenna each scored goal to help Walpole win 3-2. Captain DiMartinis sa it "was a statement win for us" because it was "the fi time I have beat Braintree in my hockey career". Wh Captain Walsh was asked about his hopes and plans the playoffs he stated, " Regardless of our record a previous performances, we have only improved as a tea and will look at playoffs as a clean slate". Senior Sunrise

On Friday September 8th, the Class of 2024 came together on our football field to watch the sunrise, ta pictures, and celebrate the start of senior year! This tradition is fairly new to Walpole High School; however, hopefully it lasts for many years to come. This years event would not be possible without the coordinators from Student Council, specifically Faith Heffernan, and the students who volunteered to ta pictures: Max Grant and Alexandra Richardson.

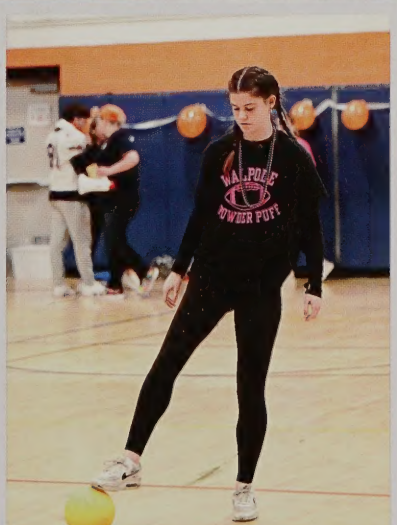
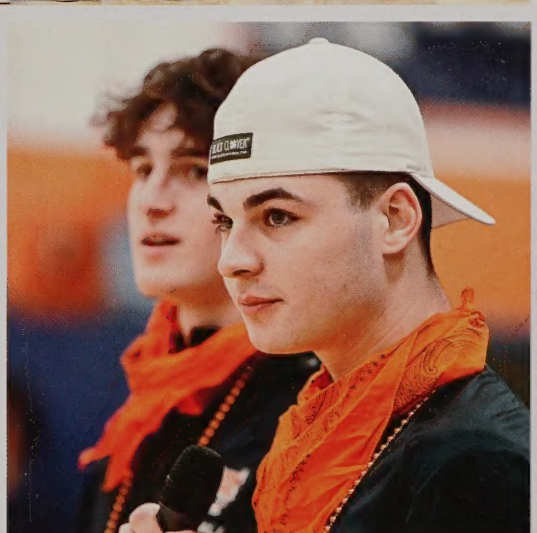
The Pep Rally is an annual Walpole High School event, taking place on the Wednesday before Thanksgiving. Student Council puts together many fun activities for the students to participate in such as money grab, musical chairs, and three legged race. This is a loved event because it creates school spirit and also brings the grades all together.





The junior girls, coached by Mr. O'Farrell and Ms. Nottebart, and the senior girls who were coached by Mr. Gitkind and Ms. Randall, played a fair game of two-touch football. The weather conditions were not ideal, but that didn't stop the girls from playing a competitive game. While all the girls left it out on the field, the senior girls pulled through to earn the victory.

Walpole High School students came together the Wednesday before Thanksgiving break for a fun day of activities. Students had a plethora of options to choose from, allowing everyone to participate in an activity that interested them. There were three sessions that took place where students could either do the same activity three sessions in a row, or pick a different activity for all three sessions, while the pep rally was an option for the third session.

Fall Musical 2023

Annie

The talented cast and crew of WHS Drama did wonderful work with this year's Fall Musical production of Annie. Rehearsals were held daily after school and on a few weekends from mid-September to mid-November. The performances were held on November 17th, 18th, and 19th, and featured a live pit orchestra of 13 professional musicians, and a real dog! WHS Drama was thrilled to present a story of hope, resilience, and the enduring power of love to the Walpole community. Taking their final bow this year are seven senior members of the WHS Drama family: Arianna Ames, Ash Cherven, Koda Evans, Charlie Fitzmaurice, Max Grant, Stephanie McAdams and Alex Richardson.

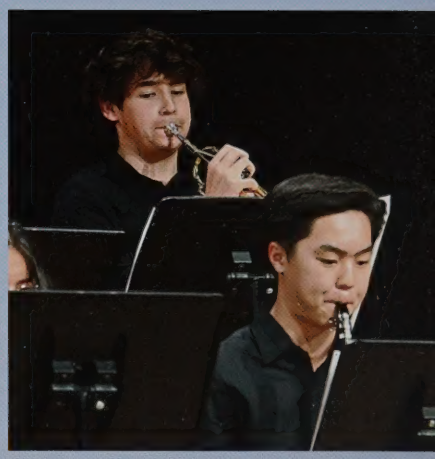
Winter Coffee House

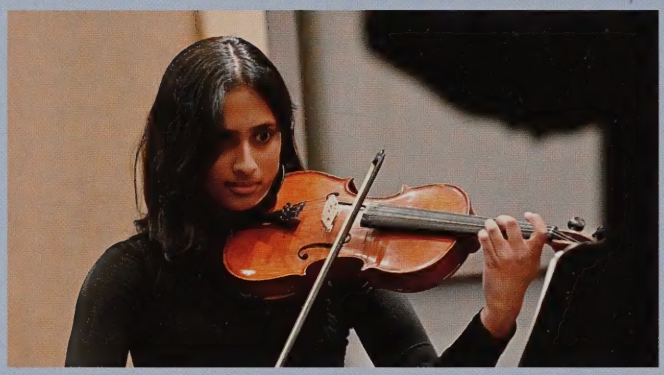
The Winter Coffee House, run by Ms. Nutting on Friday December 23 is a night open to all musicians throughout Walpole High School. Students are able to perform as a group or solo playing instructions or singing. This event is held twice throughout the year, once in the winter, and one in the spring.

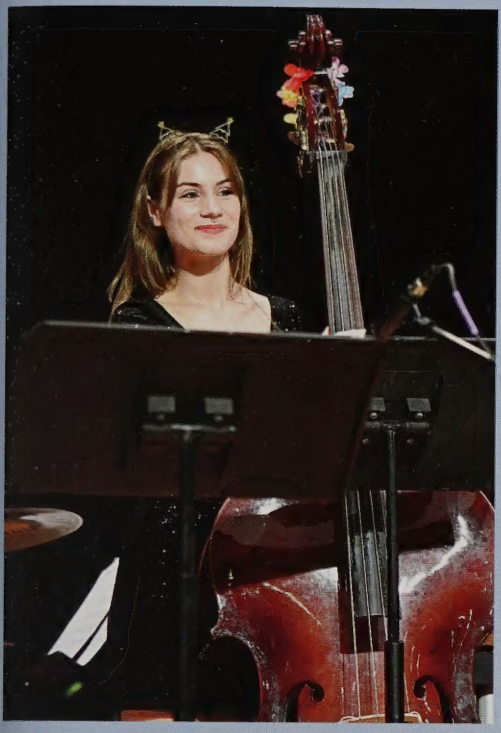
Radium Girls

The incredible cast and crew of WHS Drama Club put in a tremendous amount of work into this winter's production of Radium Girls. They held rehearsals daily after school starting in December. Performances were held on February 16th and 17th. Walpole Drama enjoyed presenting the story of the young women that experienced a fateful hardship while making advances in the science world.

The Winter Concert







The 2023 Winter Concert was held on December 20th in the auditorium. The students begin getting ready for their first concert at the very beginning of the school year. When listening to the orchestra, the jazz band, and the choir, the audience gets to see the product of their hard work. Mr. Bedrossian, Mr. Fleming, and Mrs. Nutting did a fantastic job preparing these students and worked to enhance their talents.

Aaron Levenson

Coached by Zachary Okolowitcz and senior Carly Schlittl this year was the first year of the Boys Volleyball progra With everyone learning new skills throughout the year, was important to be positive and encouraging. Coach highlighted the positive attitudes of Matheus Nunes a Aaron Levenson, as they were always happy to be at eve game and practice, always ignored bad plays and moved o and overall kept the team energized during more difficu games. One of their more challenging games was agai Needham, who have had a boys program for years and w many state championships. Everyone knew that this ga was going to be a very challenging one, but no one let it g to their heads, and everyone encouraged each oth throughout the entire game. Carly says that one of the tea biggest strengths is being a close-knit team, which can very helpful during challenging games. While this year w a challenging year for the Boys Volleyball team, they ho to have more success as the program grows.
